Wednesday Challenge Form

Group Members: Moses, Lyron (Judges)

Problem Statement: Judge and grade E's accordingly.

Approach: I won't lie to you... we we're a little bit picky on this one. We automatically disqualified anyone who didn't reach our criteria. Dr.Neat gave us the idea that we should Make sure to get rid of anyone if they didn't add some certain details' which I'm not getting into.

Overall, I was very disappointed. My classmates let go little Details. I hope they learn from this.

Solution: Small details matter the most!

Lessons Learned: Small details matter the most.
